The most important sales and marketing platform for the industry, **Mining Turkey 2020, 9th International Mining, Tunneling, Machinery Equipment and Heavy-Duty Vehicles Fair** will be organized at Tuyap Fair Convention and Congress Center between December 10 and 13, 2020.*

Mining Industry Reunited under a Single Roof in 2018

All stakeholders were hosted gladly on this commercial platform, held between December 13 and 16, 2018. Attended by **447 exhibitors and 11.082 professional visitors at 5 halls**, the fair enjoyed an increase by 17% in professional visitors, 14% in exhibitors and 17% in space in m2.

Reuniting all components of the industry including manufacturers, sellers, buyers, academia, students, pressmen and NGO members, the fair became a venue to review yesterday, to define today and to plan the future.

Exhibitors and Visitors left with Satisfaction

In national contributions with the Republic of China and the Czech Republic, the fair welcomed buying committees from Iran, Saudi Arabia, Nigeria, Kazakhstan, Ghana, Macedonia, Bulgaria and Azerbaijan while staging important meetings for cooperation between foreign buying committees and exhibitors.

92% of visitors declared that they had been mostly satisfied with the fair, 87% stated their intents to visit the next fair and 97% would recommend the fair to their business environment while exhibitors summarized the fair as **“An Impressive Fair in a Nutshell”**.

A Powerful Industry to Pass Through Once Again a More Powerful Fair

Keeping its constant growth since 2004, the fair will also help contributing to growth of the industry. Multiplying its local and foreign exhibitors and visitors that have been welcomed so far, the fair will also maintain its position as being the door to abroad for the industry.

Being the most comprehensive mining fair in Turkey, the fair will be the trending topic for mining event in 2020. With great opportunities offered, the fair will cast light upon the future of mining industry and will show to the world that a powerful industry passes through once again a powerful fair.

Remember to note the date and take your seat in the fair to always be one step ahead in mining industry.
