

The International Meeting Point of the Mining Industry

Maden Türkiye, the most comprehensive mining industry exhibition in the Eurasia Region, is preparing to bring industry professionals together for the 12th time. Taking place on 8–11 April 2026 at the Tüyap Fair Convention and Congress Center, the exhibition will once again showcase the latest technologies, investment opportunities, and global collaborations under one roof.

Targeting Exhibitors and Visitors on a Global Scale

Achieving great success in 2024 by hosting 710 exhibitors from 39 countries and 22,092 visitors from 85 countries, Maden Türkiye Fair aims to expand even further in 2026, bringing together exhibitors from 45 countries and more than 25,000 visitors from over 90 countries. By attracting more international exhibitors year after year, the fair supports the industry's global trade expansion. The fair will showcase the mining industry's cutting-edge products, innovative solutions, and investment opportunities – all under one roof. Thus, exhibitors and visitors will have the chance to reinforce current partnerships while unlocking opportunities in new markets.

Strong Trade Opportunities for Exhibitors

Maden Türkiye 2026 not only offers exhibitors the chance to showcase their products, but also provides direct access to thousands of industry professionals. With the opportunity to engage face-to-face with decision-makers, establish new business connections, and gain visibility on a global scale, the exhibition serves as a unique platform for companies to strengthen their position in the international market.

Comprehensive Solutions for Visitors

Maden Türkiye Fair brings together solutions covering all stages of the mining industry under one roof. Visitors will have the opportunity to explore the latest products and technologies ranging from drilling machinery and equipment, cutting-loading-transporting machines and equipment, geological survey equipment, grinding-crushing-screening-sorting machinery and equipment, chemical enrichment materials and equipment, occupational health and safety equipment, as well as generators, electric motors and transformers. Thanks to Maden Türkiye Fair, visitors can easily access the most up-to-date innovations required in every field of mining from a single point.

A Strategic Gathering in Mining: Türkiye Mining Investments Summit

Held concurrently with the fair, the Türkiye Mining Investments Summit will bring together international investors, decision-makers, and industry leaders of the mining sector under one roof. The summit aims to strengthen regional and global collaborations, discuss new investment opportunities, and establish strategic business connections. Participants will have the chance to

closely follow the trends, investment areas, and innovative projects shaping the future of the industry; combining the trade opportunities offered by the fair with the strategic vision of the summit to elevate their businesses to an international level.
