

The countdown is on for the Mining Türkiye Fair

Only a few days are left for the International Mining, Tunnelling, Machinery Equipment and Heavy Equipment Fair that gathers the mining industry every two years. The fair will open its doors for the 11th time this year, on May 02-05.

This meeting of the industry, expected with great excitement and set on a larger area this year due to rising demands, will not only strengthen the existing business connections, but also witness new collaborations. Inspiring panels will be a part of the fair, where valuable speakers will deliver speeches.

Organized every two years by Tüyap Fair & Exhibition Group and, therefore, looked forward to by many, the Mining Türkiye Fair is getting prepared to bring together both local and foreign qualified exhibitors and industry professionals for the 11th time. The fair to be held at Tüyap Fair and Congress Center on May 02-05 stands out as the biggest fair in its field in Eurasian region.

Everything about the mining industry under a single roof

Visitors of the Mining Türkiye Fair will have access to everything about the mining industry under a single roof, from selection, identification and demarcation of the mine site, preparation of the surrounding areas and work sites of the mine site, ore extraction, ore preparation and enrichment, any crushing, grinding, drilling machinery, equipment and hardware in areas like open query and underground mines to various auxiliary materials and services such as occupational health safety equipment, generators, electric motors and transformers.

There are also two panels at the fair where visitors can obtain information about the industry. The panel titled "Critical Minerals" will be held on May 3, 2024, Friday, between 10:30 am and 12:30 pm, and the panel titled "Sustainable Mining" will be held between 02:30 pm and 04:30 pm, at the Karadeniz Hall of Tüyap Fair area.

Enlargement of fair area in parallel with the rising demand

Exhibitors who left the previous fair delightedly by 88% have shown great interest in this year's Mining Türkiye Fair. For this year's fair that will start on May 02, over 700 exhibitors are accessed with a 20% rise. At this year's Mining Türkiye Fair, products will be exhibited in 2 additional halls, as well as in the open area. Visitors will have access to thousands of products and services on an area of 47,500 in total, in nine halls numbered 1-2-3-4-5-6-7-8-10 and in the open area, where they will be able to establish new business connections.

The number of visitors is expected to exceed 22 thousand
