

**The Most Comprehensive Exhibition of the Mining Sector,**

**Mining Türkiye Fair will be held in May 2024 at Tüyap!**

**Getting Ready for the Fair to be held between May 02-05, 2024**

The Mining Türkiye Fair, a biennial gathering of the top mining businesses worldwide, is the largest exhibition of this sector, bringing together exhibitors and visitors from all around the world under one roof. Laying the foundation for strong national and international collaborations, Mining Türkiye Fair is getting ready once again to serve as the rendezvous point for all stakeholders of the industry between **May 02-05, 2024** at Tüyap Fair, Convention and Congress Center, Istanbul.

The Mining Türkiye Fair will feature equipment for the selection, identification and demarcation of the mine site, preparation of the surrounding areas and work sites of the mine site, ore extraction, ore preparation and enrichment as well as auxiliary machines, equipment, materials and other equipment used for services. The fair moves forward with the preparations to welcome visitors while showcasing the advancements and innovations in the mining sector, supporting the growth of the industry, and bringing together the key players of the segment.

**Mining Türkiye Fair to Boost its Accomplishments in 2022**

Mining Türkiye Fair will continue to be the industry's preferred exhibition in 2024 after leaving an enduring impact in 2022 with its steady, ongoing expansion. Mining Türkiye Fair hosted 18,612 professional visitors from 77 different countries and 638 exhibitors and company representatives from 35 countries in 2022. Mining Türkiye Fair left a lasting impression in 2022, earning top marks from visitors and exhibitors. **In 2024, it is aimed to increase the number of exhibitors to 700 and the total number of visitors to more than 20,000.**

The International Mining, Tunnelling, Machinery Equipment, and Heavy-Duty Vehicles Fair hopes to build on its successes from 2022 by reaching out to a wider range of visitors and exhibitors while continuing to expand in 2024. The Mining Türkiye Fair is the event of choice for exhibitors from around the world to exhibit their latest technologies, new products and services, as well as to generate leads for sales. Mining Türkiye Fair will bring together the sector's top players once more in 2024., providing a great opportunity to stay up to date on the most recent developments in the industry, forge crucial business relationships with the sector's leaders, and broaden your business network.

### **We Continue to Expand with New Exhibitors and Visitors!**

In the 2022 exhibition, there were a 55 percent increase in exhibitors. Additionally, it is anticipated that growth will continue, with the fair experiencing steady growth in 2024. Exhibitors improved their business relationships, gained new clients on the global market, unveiled newest products and services, and boosted their ability to compete during the Mining Türkiye Fair in 2022. Receiving high marks from visitors, the fair also offers its visitors the opportunity to gain direct access to the newest mining industry machinery and equipment, play a part in breaking into international markets, form new partnerships with industry titans from various geographies, and broaden their business networks.

Prepare to reestablish contact at the largest exhibition of the sector: "Mining Türkiye Fair".

The mining sector will meet for the 11<sup>th</sup> time at Tüyap Fair, Convention, and Congress Center between May 02-05, 2024!
